acknowledge that this written notice was received prior to the undersigned receiving the lease agreement.  Radon Gas – Notice to Prospective Tenant: Radon is a naturally occurring radioactive gas that, when it has accumulated in a building in sufficient quantities, may present health risks to persons who are exposed to it over time. Levels of radon that exceeded federal and state guidelines have been found in buildings in this state. Additional information regarding radon and radon testing may be obtained from your county public health unit.  I/We, declare the foregoing information is true and correct, and I/We hereby authorize you to conduct an employment and credit check and verification of our references.	OTHER INFORMATION
